

CERTIFICATE OF INTERNSHIP COMPLETION

TO WHOM IT MAY CONCERN

This is to certify that **Mrs. Sejal Dahal** has successfully completed a **3-month internship in Data Science with Python** from **November 17, 2025** to **February 17, 2026** at our organization.

During the tenure of the internship, she demonstrated strong analytical, technical, and problem-solving skills. She actively contributed to real-world projects, most notably:

- Conducting comprehensive **data analysis on Nepal Election Data**, involving data cleaning, visualization, and extraction of meaningful insights.
- Designing and developing a **Retrieval- Augmented Generation (RAG)** system using Python and modern AI/LLM techniques for intelligent document retrieval and context-aware answering.

Throughout the internship period, she exhibited dedication, professionalism, and a keen interest in learning modern data science methodologies and web technologies. Her ability to apply theoretical knowledge to practical scenarios was commendable.

We highly appreciate her contributions to **IT Together Pvt Ltd** and wish her the very best in all her future academic and professional endeavors.
